Sandra Siekaniec, Manager, Tewaukon Refuge, met with the Board to present the Refuge Complex's annual report. Sparky Engquist and Mike Paczkowski were also present. She also discussed a Dakota Tallgrass Prairie Project, which is a partnership program supported by private landowners and USFWS to preserve North and South Dakota's Tallgrass Prairie Heritage. Sandra also announced that she will be leaving the service and relocating to Alaska the first of April. Steve introduced Mike Paczkowski and he asked about installing tile along County Road # 12. Sandra responded that the regional office is concerned about water quality and if the tile is installed it will deteriorate the water quality. The refuge donated a pump to the county and allows the county to pump the water from the roadway. The county could raise the roadway as another option and the refuge could provide borrow from their pit. The road would need a 3-4 foot lift but still could experience problems if the water is at a high level. Mr. Paczkowski will make some additional contacts.

Sparky presented a report including: 1) Proposed County # 2 project that is being coordinated with the National Guard, 2) Estimates for the door on the cattle barn

between \$1700-\$1800-approved, 3) Towns without active elevators regarding road restrictions-leave same as past, 4) Seal coat project-recommend filling cracks on all roads before seal coat-estimate of \$6000-\$8000, 5) Traffic counts on various roadways has been sent to NDDOT, 6) Sign inventory and replacement will start soon, 7) No major problems with spring run-off, 8) Pickup for road department- he is getting information on pricing.

Approve payment of the following bills and March payroll in the sum of \$67,892.72. (Smith/Brockman, unanimous)
