The Sargent County Board of Commissioners recessed to a meeting with the Milnor City Council at 8:00 p.m. The following were present: Ray Brockman, Karen Anderson, Bill Smith, Donald Wehlander and Steve Wyum. Absent none. Also present Lyle Bopp, Charles Gates.

The Milnor City Council discussed the Police Contract currently in force with Sargent County. They feel more hours per month should be spent in Milnor. Other concerns include deputies forbidden to attend city council meetings per the Sheriff. Sheriff Gates said he doesn't want the deputies cornered and to make policies. Milnor City's main concern is the hours. Don Wehlander reviewed the log prepared by the Sheriff for December and January for the hours spent in Milnor.

The council requested that the commissioners and council meet to discuss the construction of the contract.

The commissioners left the meeting at 8:45 p.m.
