The Board reviewed draft resolutions, which will be considered by the ND Association of Counties Board of Directors at the annual convention October 3, 4, and 5 in Bismarck.

Sparky Engquist met with the Board to discuss road department projects. He asked permission to use the Park Board pickup for the fall work. The Board will talk to other PB members to get their input. Interstate Engineering, Inc. has met with Sparky about bridge inventory scour and channel profile inspection. They will do the work for \$5000. Approved. County road No. 4 work has begun with hauling dirt and back-sloping the ditches. Bernard Mahrer Construction is assisting with the dirt work. The 140G Cat blade is repaired and works well. Steve Wyum reported on policies for disposing of new and used culverts, cutting edges and equipment from area counties. He introduced guidelines for the Sargent County Road Dept. new and used Sales Policy. Adopt policy subject to States Attorney review and instruct road supervisor to strictly enforce. (Anderson/Wehlander, unanimous)

Mike Marquette and Jim Peterson, Forman Ambulance, Brian Tayer, Milnor Ambulance, Travis Paeper, Sheriff and Sandy Hanson, EMS met with the Board to discuss ambulance issues. A pager malfunction occurred on a recent call and alternative systems were discussed to eliminate any further problems. The EMS group will be meeting on Sept. 28 and will discuss proper protocol.

Sandy Hanson updated the Board on meetings, which she attended the last two weeks regarding EMS and 911.

Marwood Klein, Ambulance Coordinator, stopped to visit with the Board. He is here for a couple days to observe and meet with the ambulance squad.

Meeting adjourned at 3:45 p.m.
