The County Treasurer appeared before the Board and represented that there existed an overdraft in the private redemption fund; and if no more money were received to the credit of said fund, and if all demands were paid that now existed against such fund there would exist a large shortage; it appearing to the Board that such shortage has existed from the settlement with J. John Rustad  
personal  
property tax  
matter

Mr John Rustad appeared before the Board in person in the matter of a certain judgment against him in favor of Sargent County; Mr Rustad represented that in October 1890 he offered to pay the amount of his personal property taxes, and did so pay the sum of \$109.50 as evidenced by a receipt signed by J. D. Yusef, Treasurer, it being for taxes of 1888 and that he had every reason to suppose that that amount was all that stood against him for personal property taxes of that year;

It appearing to the Board that an error had been caused in that the Treasurer had failed to present and collect all the tax for which Mr Rustad was liable, and Mr Rustad now offering the sum of \$80.00 in full payment of said judgment on motion the offer was accepted, and the Treasurer is hereby authorized to accept said sum of \$80.00 and issue his receipt therefor, for said judgment in full, and the Clerk of Court is hereby authorized to release and discharge said judgment of record.
